

ALLA MÅTT I MILLIMETER

BYGGLOVSHANDLING
------------------

A diagram of a building layout. At the top left is a compass rose with an arrow pointing towards the top right. The building consists of several rooms: a large room on the left labeled '1', a room above it labeled '14', a room to the right of '14' labeled '3', a room below '14' labeled '13' and '2', a room below '3' labeled '11', and a room below '13' and '2' labeled '12'. Below the building are three sets of stairs: a set of three steps on the left, a set of four steps in the middle, and a set of five steps on the right.
